

18<sup>th</sup>-24<sup>th</sup> July 2011

**The Festival Committee will continue to build on the success of Festival 2010 and will work closely with the clubs, societies and organisations of the town to bring a fun filled week of culture, music, exhibitions, workshops, recitals, concerts and street entertainment from 18th – 24th July 2011.**

**If your organisation, business or association would like to be part of this community festival all you have to do is contact a member of the committee and together we can make this event the ideal platform to show pride in our town and to showcase what the town has to offer.**

The festival programme which will be officially announced in May 2011 will have something for everyone:- classical, country and traditional music, street festival entertainment, art, cookery, gardening, creative writing kayaking, and local history workshops, forest and canal guided walks, tandem parachuting, pub entertainment and much more.

The Festival Committee has made a number of applications to Government Department and Agencies for community festival funding, we expect to enlist similar support through these applications as we did in 2010. Funding such as this is very much dependant on having access to matched funding which we hope will be provided by the generous support of the local community and by fundraising events.

The very comprehensive festival programme allow for considerable sponsorship as outlined overleaf, we very much appreciate your support and welcome your sponsorship contribution to Monasterevin Venice of Ireland Festival 2011.

The final programme will be announced in May 2011

## What can you do?

Be an event sponsor or financial supporter as outlined below:

<b>Platinum</b>	Overall sponsorship, promotion on all printed material and entry to all events during the festival and other events held in 2011.	€1,500
